

THE CANADIAN SCIENTIFIC AND CHRISTIAN AFFILIATION

→ STATEMENT OF FAITH

I am interested in the goals of the Canadian Scientific and Christian Affiliation. Upon the basis of the data submitted through the online membership application form and my signature affixed to the CSCA Statement below, please process my application for membership. I understand that I may become an Associate Member if I do not qualify as a Full Member at present.

Statement of Faith

I hereby subscribe to the Doctrinal Statement as required by the Constitution:

1. We accept the divine inspiration, trustworthiness and authority of the Bible in matters of faith and conduct.
2. We confess the Triune God affirmed in the Nicene and Apostles' creeds which we accept as brief, faithful statements of Christian doctrine based upon Scripture.
3. We believe that in creating and preserving the universe God has endowed it with contingent order and intelligibility, the basis of scientific investigation.
4. We recognize our responsibility, as stewards of God's creation, to use science and technology for the good of humanity and the whole world.
