THE BOOK

Lamoureux, Denis. *The Bible & Ancient Science : Principles of Interpretation*. Tullahoma: McGahan Publishing House, 2020.

THE SCHEDULE

April 20 - Introduction, Hermeneutical Principles 1 to 11, Appendix 1 (pages 11-81, 198)

May 4 - Hermeneutical Principles 12 to 17, Appendices 2 & 3 (pages 82-145, 199-206)

May 18 - Hermeneutical Principles 18 to 22, Conclusion (pages 146-197)

WHAT YOU CAN EXPECT

This popular level book examines how hermeneutics shapes science and religion discourse and thus informs central questions in the science and religion debate. The authoritative and accessible chapters are designed for readers with minimal knowledge of science or theology. The author will be with us for our club and will be guiding us through the major themes of the book.

SCIENCE AND RELIGION BOOK CLUB

WHAT YOU NEED

- Internet Capable Device
- The Book
- An open Mind

Your Hosts

Dr. Michael Pare, M.D., MSc., M.Ed., RP. is educated in the fields of psychology, neuroscience, education, and various forms of psychotherapy. Michael works as a physician practitioner, leader, and educator in the field of psychotherapy. Having previously been an atheist and skeptic, Michael eventually became skeptical of skepticism. As a Christian theist, he is particularly aware of the pseudo-scientific attack on the credibility of theistic beliefs. Currently Michael is pursuing his Master of Theological Studies at Tyndale University.

Dr. Denis Lamoureux, DDS, PhD, PhD. Denis O. Lamoureux is Professor of Science and Religion at St. Joseph's College in the University of Alberta. He has written several books and holds three earned doctoral degrees-dentistry, theology, and biology. Denis worships at a Pentecostal church.

ABOUT WYCLIFFE COLLEGE BOOK CLUB

The purpose of the club is to bring people together to discuss books, to deepen and expand their understanding of various topics, and to grow deeper in their faith. The Wycliffe College Book Club seeks to generate conversations on matters of faith, discipleship, society and general interest.

This book club is co-sponsored by the Toronto chapter of the Canadian Scientific and Christian Affiliation

Visit the book club hub for more information about this book study and a directory of other current and upcoming book clubs.
