

The Hamilton Area Science and Religion Forum, in conjunction with the Canadian Scientific and Christian Affiliation is hosting a McMaster student reception on the theme:

# Faith and Science Matters

Friday, October 3  
4:00 – 6:00 pm

Room A114  
John Hodgins Engineering (JHE)  
Building (south entrance)  
McMaster University

You are invited to an informal time of discussion and interaction with faculty, teachers, and researchers, who will share their personal stories and observations of how their faith and scientific pursuits complement each other. They have learned to dispense with an antagonistic ethos and productively embrace an attitude of science AND God, faith AND reason, creation AND evolution...

Brings your **questions, your experiences, your concerns, your friends.**

You will also have the opportunity to learn more about the Hamilton Area Science and Religion Forum, which meets monthly at McMaster, hosting discussions and speakers on a wide variety of science and religion topics.

***Refreshments provided.***

Science and Engineering Student Reception
